Payment of the **Death Benefit** under the **Plan** is not taxable.

Please note that tax treatment depends on **Your** individual circumstances and that tax legislation may change in the future. It is suggested that **You** contact **Your** professional tax advisor for specific advice on **Your** personal tax status.

8. FINANCIAL ADVICE

This document is not designed to offer financial advice and should not be used in isolation when making a decision about **Your** financial planning. **You** may wish to seek financial advice before starting a long-term savings contract.

9. SUSTAINABILITY-RELATED DISCLOSURES

ENTITY LEVEL

IVALIFE does not at this stage consider the integration of 'sustainability risks' (as defined under Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector) into its investment decision-making and/or insurance advisory processes as being directly relevant to the offering of its insurance-based investment products and/or any insurance advice provided in relation thereto. Nor does **IVALIFE** consider the likely impacts of sustainability risks on the returns it offers to **You**, as this does not fall within any of the current investment strategies of **IVALIFE** and/or of the financial instruments linked to the products of **IVALIFE**.

Having commenced its formal business operations as at the 1 March 2021, **IVALIFE** does not consider the integration of sustainability risks to be a strategic priority at this point in time. Rather, **IVALIFE**'s immediate focus is to implement a sound financial, governance and operational framework for **Your** benefit and peace of mind, and this so as to ensure that **IVALIFE** is able to meet its obligations under this **Plan**.

In so far as the current position may change in the future, **IVALIFE** will amend this Key Features Document to this effect.

PRODUCT LEVEL

The investments underlying the **Plan** do not take into account the EU criteria for environmentally sustainable investments.
